

Extra - Curricular Activities

Mission Statement: “Crescent View Academy’s private Islamic School’s mission is to provide a safe, nurturing and stimulating Islamic atmosphere to enable students to achieve a solid foundation of Islamic understanding according to the Quran, and life of Prophet Mohamed (SAW) with a true sense and pride of their Islamic identity. We want our students to achieve academic excellence and prepare our students to be morally and socially responsible citizens.”

Purpose of Extra Curricular Activities: Crescent View Academy believes that every student should be given the opportunity to explore his or her personal interest. We also acknowledge all students participating in After School Care or After School Clubs must complete the Mandatory Extra-Curricular Form and Autopay Form. One form can be completed for all activities that the student will participate in. Payments for the Extra –Curricular Activities must be processed on the AutoPay Form and charges will incur as the designated fee for each activity.
